

Christmas Light Tour River Oaks – 2023

On Tuesday, December 5th, the LF garden club members embarked on an evening outing to River Oaks to admire the lavish Christmas decorations displayed around the many mansions.

This trip promises to become an annual event as it was enjoyed last year. Word had spread and people that did not participate last year, signed up in large numbers.

So it was that a bus full of gardeners made its way through heavy Houston rush hour traffic to arrive at our destination just as the sun was setting.

Our experienced bus driver skillfully maneuvered the large vehicle through the most decorated neighborhood streets. We loudly expressed our amazement at the elaborate Christmas light displays.

The pictures taken from the bus do not capture the splendor of the decor, it really must be seen in person. We all thanked Donna for arranging this festive trip.

At the end of the tour we stopped at the **House of Pies** restaurant for an evening meal or just some pie. Although the size of the pies were a meal by itself.

Piping hot Shrimp and grits were the best she ever tasted according to Barbara Crum. She took most of it home in a doggie bag.
