

Struesel Cake Mix Coffee Cake

Prep Cook Ready In 15m 40m 55m

Ingredients

1 (18.25 ounce) package yellow cake mix
1 (5.1 ~~3.5~~ ounce) package instant vanilla pudding mix
1 cup milk
3/4 cup vegetable oil
4 eggs
1 teaspoon butter
1 teaspoon vanilla extract

1 cup brown sugar
1 cup chopped walnuts (I used pecans)
2 teaspoons ground cinnamon

Directions

- 1 Preheat oven to 350 degrees F (175 degrees C). Grease and flour a 9x13-inch casserole dish.
- 2 Mix yellow cake mix, vanilla pudding mix, milk, vegetable oil, eggs, butter, and vanilla extract together in a bowl. Pour half the batter into the prepared casserole dish; spread evenly.
- 3 Stir brown sugar, walnuts, and cinnamon together in a bowl; sprinkle over batter in the casserole dish. Pour remaining batter over walnut mixture. (I reserved a little to sprinkle on the top.)
- 4 Bake in the preheated oven until a toothpick inserted in the center of the cake comes out clean, about 40 minutes.

The recipe called for 3.5 oz of vanilla pudding, but Jerry got the bigger size so I used that. Since the top looked so plain after it came out of the oven, I sprinkled another cup of brown sugar on the top and then put it under the broiler until melted. I would have added more walnuts if I had had any more.
